After a vigorous Work Week, the Theta Delts welcomed the freshmen with a sparkling house, which soon included eleven of the finest of '65.

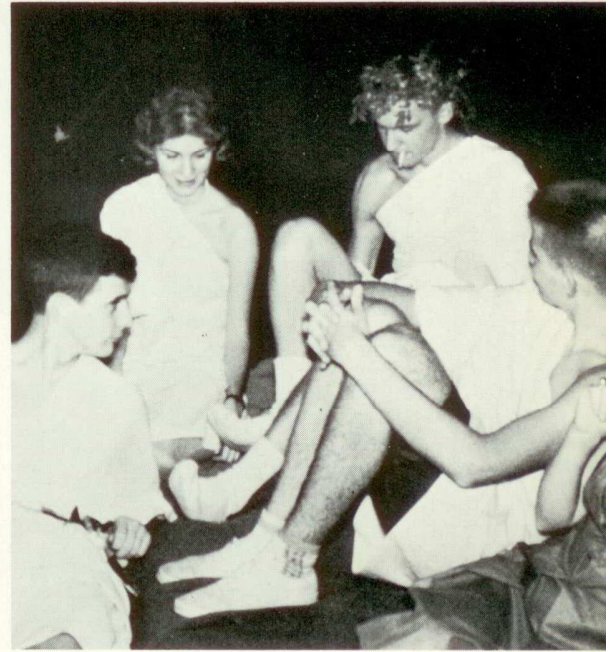

While conscious of our scholastic responsibility, we nevertheless indulged in such diverse Institute activities as Voo Doo, Glee Club, tennis, wrestling, and crew. With strong spectator support, exciting Theta Delt teams took the "B" Division football championship and league titles in basketball and hockey.

Social interests were not neglected. The traditional Pledge Dance sparked the fall season, which also included the infamous Roman orgy and a swingin' square dance in cooperation with Kappa Sigma. In the spring, our fancies turned to rock 'n roll and calypso parties, a gay Spring Weekend, and our beach blast, held as ever on the coldest day in May.
