

THETA DELTA CHI

Pledge Dance given to honor new men
was enjoyed by all

C'mon up you guys, it's
time to change shifts

Julie's a
sociable drinker

After a very productive Work Week, which included the re-decorating of two main rooms, the Theta Delts' house was in fine shape to welcome the seven pledges of '66.

Our wide range of achievements this past year proved again the diversity of Theta Delta Chi. From winning the All-Tech Sing to splashing their way to victory in the intramural cross-country championships, the brothers showed their abilities in many extra-curricular activities. The captain of the varsity hockey team, the circulation manager of VooDoo, and one of the top intercollegiate wrestlers in New England were Theta Delts. We also had strong participation in many intramural sports and in the M.I.T. band.

Scholarship and intellectual stimulation were accented by after-dinner talks by many prominent M.I.T. professors, as well as by the creation of a new house scholarship award. The scholarship committee worked actively to raise the grade average and keep everyone conscious of the importance of consistent study habits. But the brothers still liked to relax and enjoy themselves on weekends; the memories of the annual Fall Pledge Dance, the Limbo Party given by the pledges in return, and our other parties will remind us of the good times we had in another year at Theta Delta Chi.

Theta Delts Sing Way To Institute Championship

And the funny part is,
I hate bananas
