

## Pledges Capture Frosh Scholarship Award

It's that damn invisible shield again!

The black, white, and blue banner at 314 Memorial Drive flew over busy doings this year. In April the brothers of Theta Deuteron Charge hosted the Annual Regional Convention of Theta Delta Chi. By that time the House had amassed a record in athletics that included the B Division basketball championship, a first place in cross country, and a top rating for the hockey team. Bill Vachon was captain of the varsity hockey team, and Terry Chatwin came through with the 137-pound New England Wrestling Championship. When the House colors were pulled down in the evening, Theta Delta Chi freshmen could be found hard at work on their way to winning the Freshman Scholarship Award; the House as a whole was first among living groups for the spring term.

In the spring the brothers did their share of blitzing in reviving an old open bid traditional, "Owthowse Oarje." In the fall the annual pledge dance was held, the pledges responding with a Beatnick Party. The first term concluded on several notes with a combined Christmas and Beethoven's Birthday Party of tree-decorating, caroling, and listening to symphonies.

Such a pain to publicize these beer blasts
